

Weight Support and Detox*

Kit Contains

Vegan Protein Elite Vanilla, Chocolate & Mocha

is a revolutionary plant protein blend featuring 5 hypoallergenic, vegan protein sources – pea, rice, hemp, chia and cranberry – to provide a well-balanced amino acid profile in a high protein formula.

Toxin Flush

is designed to promote balanced activity between Phase I and Phase II of the body's detoxification processes.* It has been formulated to contain select ingredients to support healthy detoxification and enhance the activities of hepatic detoxification enzymes.*

MCT Oil

Medium-chain triglycerides (MCTs) are a special type of fatty acids which are metabolized more fully for energy in the body. Normal fats and oils contain long-chain fatty acids (LCTs).

CLA

Clinical trials have demonstrated that 3,000 mg of CLA per day may reduce body fat while increasing lean muscle mass.*

Metabo Drops

is a proprietary blend designed to support the maintenance of healthy body composition. This formula includes a full spectrum of appetite suppressants and nutrients to enhance your metabolism and support a healthy body weight.*
